## The ORSC™ Journey

Your journey starts here

Organization & Relationship Systems Coaching (ORSC™) by CRR Global combines 'systems thinking' with coaching. It is the first International Coach Federation (ICF) Accredited Team & Systems coaching program in the world.

Having come a long way since its inception nearly 20 years ago, ORSC™ is now present in 18 countries across 34 locations all over the world, having been experienced by thousands of ORSC™ practitioners.

ORSC™ tools have impacted teams and relationship systems across the board - in both large multinational corporations and smaller family-owned businesses, in various institutions in the public sector, not-for-profits, non-governmental organizations and civil society groups, as well as within individuals and families.

CRR APAC is CRR Global's Global Alliance Partner for Asia Pacific - Singapore & Malaysia, Philippines, Australia and New Zealand offering the first ICF Globally Accredited Team and Systems Coaching Program.

### Relationship Systems Intelligence™ (RSI™)

Relationship Systems Intelligence (RSI) is the capacity to read, understand and intentionally interact with the dynamics of human relationship systems. RSI includes and transcends Emotional Social Intelligence (ESI) pioneered by Daniel Goleman and others. Relationship Systems Intelligence™ culminates with the ability to identify with and collaborate with groups, teams, communities and other social systems. Together the three forms of Intelligences create flexible, resilient individuals and teams.

RSI informs and forms the 5 Principles of the ORSC Model.

### ICF Accreditation

ORSC™ is the world's 1st ICF-Accredited (ACTP) systems (team) coaching training program by CRR Global since 2003.
